5 x 10 Matte Ceramic Tile in Sand

Inspired by the intricate look of traditional kitkat mosaics, our Celia 5 x 10 Matte Ceramic Tile in Sand elevates the concept into a unified, innovatively designed form. This creates the illusion of individually hand-laid pieces when installed on flat planes or can be separated along its scored lines to adapt around curves. With an earthy, matte finish and an indulgent taupe tone that draws from deep mineral and organic clay pigments, it transforms everyday walls into immersive surfaces that nourish both the eye and the space they inhabit. Why You'll Love This Tile: Simplifies the kitkat mosaic look with an easy-to-install one-piece format Individual columns can be scored and separated for use on curved surfaces Perfect for any indoor wall use in residential or commercial spaces Durable and easy to clean, ideal for showers, backsplashes, or accent walls
