Wall Sconce in Pearl White / Vintage Brass

Our Ava Wall Sconce in Pearl White and Vintage Brass reimagines the classic candlestick as a sculptural wall light, its slender brass torchiere rising in front of a rounded, pottery-like backplate. Light casts indirectly across the backplate's soft curve, building a warm, layered glow rather than a single beam. Its compact profile and forward-facing light make it a graceful choice for hallways, bedrooms, and bedside reading.
