12 x 24 Matte Porcelain Tile in Graphite

Our Harley 12 x 24 Matte Porcelain Tile in Graphite translates the beauty of natural fragmentation into a classic rectangular format, where layered, dark gray hues with brown undertones and fluid, interlocking veining dynamically meld — a visual metaphor for the earth's process of breaking and reassembling form. Its subtly textured finish softens this organic complexity, gently diffusing light, creating a calm, refined surface that allows spaces to relive marble's timeless elegance. Why You'll Love This Tile: Low-maintenance, authentic marble look varies across each piece Can withstand the wear and tear of residential and commercial spaces Versatile enough for use anywhere from walls to floors & kitchens to bathrooms 95% locally sourced materials plus up to 45% recycled content Proudly made in USA, ensuring premium quality
