12 x 24 Matte Porcelain Tile in Stone

Amid the stillness of modern architecture, our Pierce 12 x 24 Matte Porcelain Tile in Stone embraces the essence of the city—pared-back, purposeful, and profoundly refined. This neo-industrial vision celebrates concrete’s texture but tempers its coarseness with nuanced, brownish gray tones and fluid movement across an elongated rectangular surface. Finished in a smooth sheen, it delivers an edgy, urban aesthetic that bridges structure and soul. Why You'll Love This Tile: Low-maintenance, authentic cement look varies across each piece Matte surface reduces glare and improves slip resistance Can withstand the wear and tear of residential and commercial spaces Versatile enough for use anywhere from showers to pools & other outdoor areas 95% locally sourced materials plus up to 45% recycled content Proudly made in USA, ensuring premium quality
