2.5 x 16 Glossy Ceramic Tile in Cobalt

Borrowing its palette from the coves and pine-lined shores of the Mediterranean, our Maisie 2.5 x 16 Glossy Ceramic Tile in Cobalt carries subtle shade shifts of dark blue with a high-sheen glaze that creates a soft wash of light across vertical surfaces. This natural variation reflects the artisan craftsmanship celebrated in the region, reimagined through an extended subway format for a rustic yet refreshingly current organic design. Why You'll Love This Tile: Handmade look with high shade variation Modern, elongated subway tile size for a visually expansive feel Perfect for any indoor wall use in residential or commercial spaces Durable and easy to clean, ideal for showers, backsplashes, or accent walls
