24 x 24 Checkerboard Grip 2cm Porcelain Paver Tile in Fossil & Stone

Our Carter 24 x 24 Checkerboard Grip 2cm Porcelain Paver Tile in Fossil & Stone pairs two distinctly sophisticated interpretations of quartzite—among earth's most resilient stones—in a large format, emphasizing its geologic layering and directional grains. One features a soft, light gray base etched with fine, organic striations in beige, while the other contrasts with its rich gray hue warmed by brown undertones, resembling the mineral complexity found in natural quarry cuts. Why You'll Love This Tile: Stone-inspired porcelain pairs for a low-maintenance checkered look Precision-cut rectified edges deliver consistent alignment Anti-slip finish ensures safe movement across wet or dry surfaces Can withstand the wear and tear of residential and commercial outdoor spaces Versatile enough for use anywhere from floors to poolsides & patios Proudly made in USA, ensuring premium quality
