6 x 12 Porcelain Tile Star in Imperial and Cross in Imperial

Our Aslan 6 x 12 Porcelain Tile Star in Imperial and Cross in Imperial is a contemporary homage to Turkey's refined architectural tradition, where elegant stones and geometrical patterns have long co-existed in design. Its distinctive classical forms are softened by a time-aged, dark gray tone, animated by fine, subtly shimmering veins that shift across its matte surface for a bespoke effect. These organic details are further enriched by its tumbled look and delicately rounded edges that emulate the weathered charm of centuries-old marble, bringing old-world grandeur right into your home. Why You'll Love This Tile: Two uniquely shaped decorative tiles in a bundle Opulent, tumbled marble look with a naturally varied veining Can withstand the wear and tear of indoor and outdoor residential spaces Versatile enough for use anywhere from walls to floors & kitchens to bathrooms Expertly crafted in Spain, ensuring premium quality Also available in another color: Star in Calacatta and Cross in Calacatta
