2 x 2 Matte Porcelain Mosaic Tile in Coal

Our Elliot 2 x 2 Matte Porcelain Mosaic Tile in Coal draws inspiration from Crete Island, where concrete-rendered architecture develops softly weathered gradations of dark gray under the Mediterranean sun. Presented in a mesh-mounted square format, each piece recalls a handcrafted fragment, carrying the rich cultural imprint of the coast. Why You'll Love This Tile: Low-maintenance, artisanal cement aesthetic varies across each piece Can withstand the wear and tear of residential and commercial spaces Versatile enough for use anywhere from walls to floors & kitchens to bathrooms Manufactured using clean energy and environmentally responsible production Proudly made in USA, ensuring premium quality
