4.6 x 4.6 Matte Porcelain Tile in Biscuit

Inspired by the intricate look of traditional kitkat mosaics, our Celia 4.6 x 4.6 Matte Porcelain Tile in Biscuit elevates the concept into a unified, innovatively designed form with a compact scale. This creates the illusion of individually hand-laid pieces when installed on flat planes or can be separated along its scored lines to adapt around curves. With an earthy, matte finish and an indulgent light orange tone that draws from deep mineral and organic clay pigments, it transforms everyday walls and floors into immersive surfaces that nourish both the eye and the space they inhabit. Why You'll Love This Tile: Simplifies the kitkat mosaic look with an easy-to-install one-piece format Individual columns can be scored and separated for use on curved surfaces Can withstand the wear and tear of residential and commercial spaces Versatile enough for use anywhere from walls to floors & kitchens to bathrooms
