Wall Sconce in Brushed Gold

Our Simone Wall Sconce in Brushed Gold pairs a soft, pill-shaped opal glass diffuser with delicate metal ring detailing for a quietly jewelry-like presence on the wall. Integrated 5CCT LED technology lets the light shift smoothly from warm 2700K amber to a crisp 5000K daylight, tuning the glow to match the mood of the room. Its up-and-down illumination adds soft dimension to powder rooms, hallways, and bedside walls.

Product identification
