Cylinder Flush Mount in Patina Brass / Opal Glass

Inspired by salt's role in shaping trade and tradition, our Eve Flush Mount in Patina Brass and Opal Glass grounds a cylindrical silhouette in warm brass, capped by a sculptural opal glass shade with a soft, frosted glow. Light diffuses softly through the stone's subtle translucence, casting a warm, textural glow reminiscent of sea glass. Its low profile and omni-directional light make it a graceful fit for hallways, bedrooms, and dining rooms alike.
